"To build a better mousetrap"—this concept ignites the curiosity of man; every individual of every generation has sensed the possibility of building that better mousetrap, and every individual has tried in his own way to revise the old and create the new. Old methods, yesterday's inventions, and time-worn ideas await a fresh approach, a new adaptation, and a view from a different vantage point; perhaps we, the students of Van Nuys High School, may not reach these heights, but the challenge is common to us all—the challenge of advent 21.

Fewer than thirty-five years separate us from the twenty-first century, and a new era will be ushered in with the advent of that century, but the tools essential for building a new era—knowledge, understanding, reflection and leadership—are the tools we must acquire today. The swift passage of time requires that we gain a new foothold each day and that we use that first step to gain another. Few of us realize that we must work today to gain tomorrow's promise, and our blindness to that fact can only lead to regret. For our part, we must make the future a symbol of desire, action, and hope.

We have our youth for only a short, fleeting moment, but during that moment we have the time and opportunity to prepare. To utilize this priceless period, we must recognize that advent 21 means to us not the passive role of waiting and watching, but an opportunity and the responsibility to launch a new century. Van Nuys High School, like the educational system of which it is a part, is committed to this venture; future generations will measure the success of these efforts.

MR. WILLIAM C. NOBLE
Principal

Since the next thirty-five years seem certain to produce far more than the last thirty-five in the way of change, it would be presumptuous to prophesy what the new century will bring. We may properly express our hopes, however.

Certainly there is the hope that the world of 2000 will be a more serene and settled place, where people and nations can find peace.

It is devoutly to be wished that the advent of the next century will be marked by a reduction in the gap between the amazing advances in science and technology and the social skills that are necessary to enable people to make adjustments to that technology.

If the world is to be a truly better place, it seems certain that there must be a revival of some of those virtues which seem currently lacking: individual morality, stability of the family, and a more thorough understanding of the principles of democracy, coupled with a far greater skill in their practice.

If these hopes are realized it will be the result of our schools' continuing to improve the educational program and of a growing sensitivity and response to that program by our youth.

May it come to pass!

In our society the voice of the people is the strongest mandate; all of our major questions are submitted to the general population for acceptance or rejection. This is democracy, the rule of the people. True, the people are not always capable of making intelligent decisions, but the safeguard of their welfare and the prevention of the usurpation of their rights rest in the hands of the many. It is said that the solution to the ills of democracy is more democracy. We do our best with an imperfect but highly desirable system in which the people decide what they will do and where they will go.

Two endeavors determine how well our system works, and these both are pursued at Van Nuys High School. The first is general education; an informed and discerning citizenry is vital to the functioning of a democratic government. The other is practical experience in the field of representative government. The students shown here are the chief participants in this endeavor. They are the leaders who implement the voiced desires of the student body; they must make the decisions and effect changes which will afford our student body the realization of its wishes. These elected representatives are vitally important; through our student government the democratic processes are carried forward. The future of democracy rests in the training and preparation of our youth.

DANCES AND ASSEMBLIES

Van Nuys High School students look forward to the fine assemblies held each year in the Donna H. Hubbard Auditorium. Among the various assemblies this past year were the Radio Speech Play, the annual Christmas Assembly, and the May Day Assembly for the girls. The Nomination and Installation Assemblies for the Student Body officers are always favorites among the students. During the fall semester the Ventures highlighted a special reward assembly held as a result of the successful Blue Chip Stamp Drive which brought our school out of debt. Semi-annual sports rallies, held on the Nathan F. Smith field, gave the school's outstanding athletes a chance to be introduced to the school as well as to demonstrate their sport and ability. The assemblies presented by the Girls' and Boys' Activity Boards were highpoints of the year.

Perhaps our school's most enjoyed social activities which allow students to relax and feel at ease, are the frequent Dances and Sports Nights held in the Girls' Gym. A well-attended dance of last year was the Semi-Formal Christmas Dance, opened to couples only. Various sports and games are offered at Van Nuys High's Sports Nights, with dancing to a live band as an added attraction.

John Tidball displays smashing forehand at Boys' Assembly.

G.A.B. Board provides enjoyable entertainment for the girls.

KFWB "D.J." Johnny G. introduces the Ventures.

"Teen-Agers of Yesterday and Today" highlights fall semester Mother-Daughter dessert.

. . . to build a better mousetrap.

Willie the Wolf, the VNHS mascot, enjoys the attention of Sue Doctor and Helen Pensanti.

Knowledge, intelligence, leadership — these alone will not attain for us the promise of advent 21—the coming of the new century; these are only tools. We must have the initiative to use them, the impetus to sustain this drive, and the faith in ourselves and our worth; we must have spirit.

At Van Nuys High School, we witness this spirit in the learning in our classrooms, the applause at our assemblies, and the clamor at our football games; we see it in our fund-raising drives and in the participation in our school activities. A school can be built on spirit, but the future must be built on the concrete foundation of effort. Spirit can sustain the drive necessary to this effort; it can reinforce this bridge to tomorrow. We shall graduate with confidence in our efforts and with hope for the future. This dynamic force—"spirit"—will move us toward a better tomorrow and a realization of the promise of a new century.

... And here is the result of our work. Three years of close co-operation between faculty and administration, organizations, athletics, student government, seniors, juniors and sophomores has had its culmination in this — nearly a thousand inquisitive, well-rounded young adults ready to leave Van Nuys High School, entering the larger world outside to change it until it suits them. Their determination of the character of advent 21, their creation of a truly better world, will be the direct measure of the success with which the task of Van Nuys High School has been dispatched, the extent its goal fulfilled.

EPHEBIANS

Five graduating Altierians were rewarded with the title of Ephebian, the highest honor a high school student can receive. Seniors with a grade average of 3.0 are allowed to petition for membership in this society, a society dedicated to the advancement of the community and mankind. The seniors are selected by their classmates and the faculty to represent their senior class in the Ephebian society.

The original Ephebian Society was founded in Ancient Greece by a group of men who were outstanding in leadership, scholarship, and character. Today it symbolizes the culmination of three years of high school achievement dedicated to the promotion of these noble qualities in our daily life.

The society demonstrates that even in our modern fast-paced world, we have not yet forgotten the value of these essential character attributes.

Carol Wakefield and Chris Mulford were chosen to live abroad.

exchange students better relations

By sending young representatives of the United States to foreign countries and bringing exchange students into this country, the American Field Service furthers world understanding and friendship. This year two semi-finalists, Chris Mulford and Carol Wakefield, both A-11's, were chosen from Van Nuys High for the Americans Abroad program.

Of some forty original applicants, fifteen were chosen by a selection committee. Applications of the four students selected by the committee were then forwarded to New York for final competition, with the results being announced in mid-March.

If homes are found, Chris will spend her senior year abroad, while Carol will spend the summer months in a foreign country.

Annerose Phillipp, Eva Eek, and Hakon Torring were our foreign exchange students.

among nations

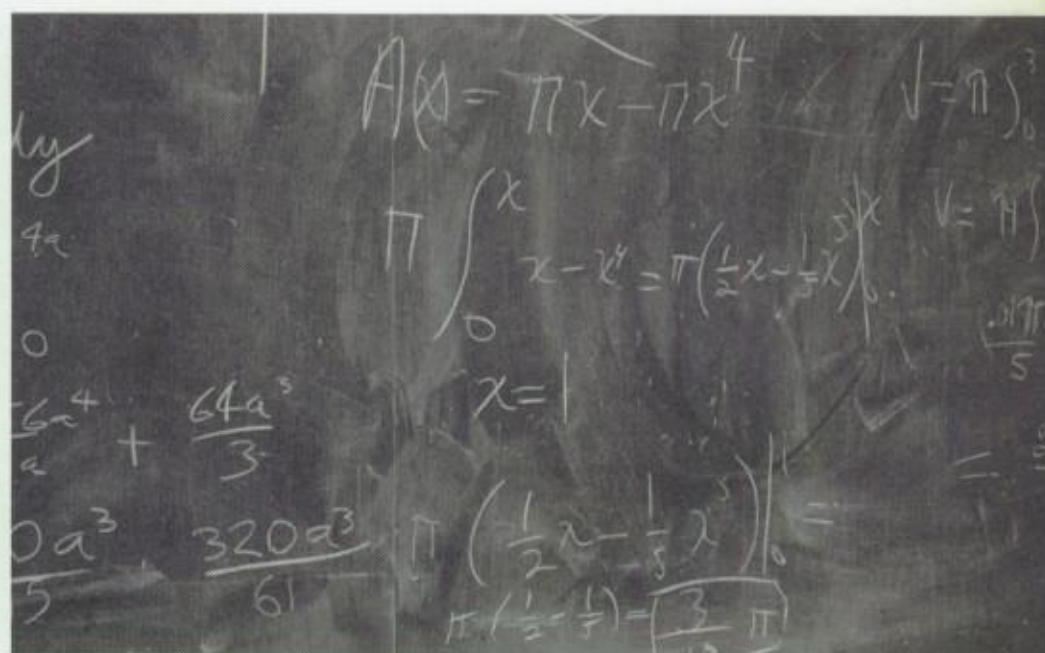

Van Nuys High was fortunate this past year in having three foreign students in the student body. Two of them, Eva Eek and Hakon Torring, hail from Norway. The third, Annerose Phillipp, is a visitor from Germany.

Eva was in the United States as the result of a private exchange; she spent the year at the home of Karen Martin in Van Nuys. Hakon, who came to the United States on a church exchange program, resided at the home of Mr. and Mrs. Monroe Marlowe in Van Nuys. Annerose came here through the Americans Abroad program. She stayed at the home of Chris Mulford. Before returning to Germany this fall, she will have toured the country and have had an audience with President Lyndon Johnson.

underclassmen

. . . But the Seniors graduate and leave the school. Nevertheless the working, the learning and the building must continue. It is on the shoulders of these students, the Underclassmen, that the responsibility now falls. While few people may notice, the Underclassmen are working very hard toward the day when they become Seniors and take over the leadership of the school. Until that day they continue to build — to build a good record and to build a good mind, to build an understanding of the world into which they soon must enter.

organizations

In his studies, a student may discover a field he would like to explore further. Or, he may already have outside interests which he brings to school with him. Whatever the case, the student at Van Nuys High School can satisfy his urge to go a little further, to do a little more, by joining an organization. Service organizations for the civic-minded, clubs designed for the athletically inclined, clubs that help ready students for careers, clubs and organizations for arts and sciences, and clubs for hobbies — all help prepare the student to meet tomorrow's challenge.

SENIOR PLAY

"Blithe Spirit," an improbable farce about a ghost returning to haunt her husband, was the highly successful Senior Play this fall. Written by Noel Coward, it tells the story of Charles, living with his second wife, Ruth, in a contemporary household. Through the strange powers of Madame Arcati, Charles—and only Charles—is able to see his dead former wife, Elvira, who begins to pay him regular visits, much to the dismay of Ruth.

The object of the Senior Play is to allow the theatrically talented students of the school to participate in a play production.

RADIO SPEECH PLAY

This year's radio speech play, entitled "Fascinating Stranger," was staged under the supervision of Mr. Raymond Kessler, instructor of the Radio Speech Class.

The story, science-fiction in nature, told of the amusing situation which resulted when a man from outer space was guided to Earth by the use of a homemade radio.

Serving as student director of the play was Alan Reos. Sound effects were managed by Paul Karbel, and properties man was Michael Cohen.

The purpose of the Radio Speech Class is to enable students to learn radio broadcast techniques.

GIRLS' GLEE

Peterson, P. Grossman. THIRD ROW— V. Peters, J. Wiedoeft, C. Jones, M. Kastner, B. Thompson, V. Taylor, L. Johnson, S. Shipp, J. Nash, J. Durfee.

GIRLS' GLEE CLUB

Girls' Glee gives girls an opportunity to learn to sing and to develop the voice. After one or two semesters of training in glee, many girls progress to more advanced vocal groups. The thirty-five girls, under the direction of Mr. George Greb, displayed their talents at the Winter Vocal Concert, the Christmas Assembly and the Spring Festival. At other times during the year the girls performed with other Van Nuys High musical groups.

VANAIREs

Representing Van Nuys High's top vocalists, the Vanaires experienced an eventful year. A KFI radio broadcast and participation in a concert at Los Angeles Valley College highlighted their annual activities. Performances for the Retired Teachers Association, the Mother-Daughter Dessert, and our own Christmas program and Spring Festival were among their other presentations. Mr. George Greb directed the group, assisted by Penny Noble and Sue Wolf.

WINTER CONCERT

Performing in the Winter Concert were the Vanaires, the Orchestra, the Woodwind Ensemble, and the A Cappella Choir and Girls' Glee Club.

The orchestra played the "Symphony in G Minor" by Mozart, and "Polka" by Shostakovich from the "Golden Age of Ballet." The Woodwind Quintet played "Rondo in F." The Sonata for Oboe and Piano featured Tim Hurtz on the oboe and Don Stein playing the piano.

The Vanaires sang "Black Is the Color of My True Love's Hair," "Liebeslieder Waltzes," and "Square Dance."

A CAPPELLA CHOIR

Specializing in unaccompanied choral singing, the A Cappella Choir provided entertainment throughout the year. The group of seventy students took part in a radio broadcast for KFI, a concert at Valley College, and the Mother-Daughter Dessert. Performances for the Retired Teachers Association, the Christmas Program, the Winter Concert and the Spring Festival were also included in their schedule.

Under the direction of Mr. George Greb, the A Cappella Choir displayed great polish in the execution of a difficult art form.

ADVANCED BAND

Essential to fine spirit in a high school today is a good band. Van Nuys High is fortunate in having one of the finest and most spirited bands in the Los Angeles City School District.

Among the many activities in which the band participated this year were the fall Sports Rally, all the football games, both home and away, the rally before the big Gardena game, and the inter-school music festival hosted by Van Nuys High in March. During the spring semester many of the band members devoted time on week-ends and after school to give us a good Pep Band for the track season. In addition, a Dance Band was formed as an outcropping of the Concert Band.

Band officers included Drum Major, Al McKee; Assistant Drum Major, Mark Kaufman; President, Les Rosenthal, and Vice-President, Mark Kaufman.

ADVANCED ORCHESTRA

Participation in the Van Nuys High Orchestra provides an excellent opportunity for a student to pursue his cultural endeavors through music.

The orchestra played for the school-wide theatrical production of "Bye Bye Birdie," using the Broadway version of the show's score. During the year the orchestra performed for the Winter Concert, the Holiday Assembly, the music festival hosted by Van Nuys High and attended by many of the valley's high schools, and at the graduation of the Saroyan class.

Mr. Stanley Caplan directed the orchestra, and its officers included Bill Bedoian, and Rick Whitley, fall semester President and Vice-President respectively, and Jim Hartz and Ken Dice, summer semester President and Vice-President respectively.

DRAMATIC ORGANIZATIONS

Thespians is a dramatic organization designed to promote a greater understanding of dramatic form on a high school level and to stimulate interest in the Van Nuys High Drama Department.

Masquers is an honorary organization which gives outstanding drama students an opportunity to develop their talents and generates a desire for learning and training in the dramatic arts. The group took part in a field trip to the San Diego Globe Theatre and sponsored a Fall Drama Festival for the entire student body. Both drama groups are sponsored by Mr. Ronald Ladwig.

After learning the techniques of the application of stage make-up, the Make-Up Crew, under the supervision of Mrs. Minnette Harris, performs the vital function of making-up casts of the various dramatic presentations.

USHERS

Under the supervision of Mr. Wesley Luckstead, the Ushers helped the student body to be seated quickly and quietly at assemblies during the school year.

The success and organization of school assemblies is due largely to the efforts of Ushers. Often our assemblies are longer than planned and if it were not for the efficiency of the Ushers, the class schedule would be completely disrupted for the remainder of the day.

STAGE CREW

Providing an invaluable service for all auditorium productions at VNHS, the Stage Crew, sponsored by Mr. Wesley Luckstead, builds the sets and operates the sound, lighting and curtains on stage.

Some of the productions with which the Stage Crew helped were "Bye Bye Birdie," the Senior Play, the Winter Concert, the Christmas Concert, and "Wonderful Town," as well as all assemblies and many other auditorium events.

KNIGHTS

Exemplifying modern twentieth century chivalry are the boys selected for membership in Knights. These boys must have a high scholastic record and good citizenship and be able to exert leadership ability. They are chosen from the senior class and selection is one of the highest honors to be bestowed upon a twelfth grade boy. This organization is always ready to be of service to the teachers and student body of Van Nuys High School.

Their service to the school is especially appreciated during registration when they assist B10's and other students to obtain the classes of their choice.

Its officers for this year were Curt Pelley, fall semester President; Greg LeGassick, fall semester Vice-President; Greg LeGassick, spring semester President; and Don King, spring semester Vice-President.

LADIES

Outstanding senior girls at Van Nuys High School, excelling in scholarship, citizenship, attendance, and school service, combine to form the organization known as Ladies. Ladies earn their privilege of pre-registration by assisting the Guidance Office in its numerous duties.

The entire student body enthusiastically welcomed the Ladies' Sucker Sale, the group's money-raising project for the student body. Fall President Kathy Slezak, led the forty girls in the sale, accompanied by Sue Newschwander; Janie Telljohn, Secretary; and Naomi Gjeltten, Historian.

Under the sponsorship of Mrs. Rosalyn Heyman, the spring officers were Barbara Levin, President; Carol Lax, Vice-President; Linda Craker, Secretary; Karen Gullans, Treasurer; and Vicki Schwartz, Historian.

In the spring semester they officiated at all the home track meets and helped to clean up the Willis-Hamlin parking area. During both semesters the annual banquet was very successful.

The officers for the fall semester included Jerry Staines, President; Bruce Lenorovitz, Vice-President; and Dave Berg, Secretary. In the spring the officers were Fred Dunn, President; Dave Berg, Vice-President; and Jeff Keaton, Secretary. Sponsor of the organization was Mr. Robert Whitehead.

PHILOMATHEANS

Set apart for the B-10 members of the student body, Philomatheans is the honor organization for those who meet the scholastic qualifications. Scholastic achievement during the A-9 semester is considered as the basis for membership in the group.

Under the direction of Mrs. Margaret Ward, the organization strives to teach its members the use of proper study habits.

Led in the fall semester by Richard Andrew, this organization works along with the California Scholarship Federation toward maintaining high standards of achievement.

CALIFORNIA SCHOLARSHIP FEDERATION

A state-wide organization, the California Scholarship Federation honors those students exhibiting academic excellence. This group, sponsored by Mrs. Frances Raffetto, upholds high academic standards, determining membership on the basis of the final report card.

Leading CSF in the fall semester was President Sue Price and in the spring, President Cathy Matthews, with Pete Scolney serving as Vice-President both semesters. This organization also offers tutoring as a means of actively helping the school.

Students interested in learning about military procedures find participation in the Reserve Officers Training Corps to be a valuable experience. Past cadets have earned admittance to West Point, Annapolis, and the Air Force Academy. Cadets are instructed by the Commandant of Cadets SFC Berryhill, SFC Beckstrom, and assistant PMS, Capt. J. Fuller, in the fields of military leadership, military history, weapons, first aid, and map reading. On a field trip to Fort MacArthur, cadets were exposed to stiff military training for two days and took part in a mock battle designed to simulate battle conditions. Colonel John H. Smith held the Brigade Commander position in the fall, after placing second in all-city competition. Colonel Gordon W. Trask, who held this rank in the spring, also placed second. Fall semester Battalion Commander was Lieutenant Colonel Curtis W. Pelley; spring semester Battalion Commander was Colonel Gordon W. Trask. Assisting him were Major McGeachy, Battalion Executive Officer, Drill Team and Color Guard Commander; First Sergeant Keith Georgia, Adjutant; First Sergeant Louis Thompson, Intelligence and Operations Officer; Captain Ronald Gerber, "A" Company Commander; and First Sergeant Jerry Everakes, "B" Company Commander.

The Drill Team was successful in several competitions. The unit has performed in many parades including the San Bernardino Orange Parade, the Hollywood Parade, and the March of Dimes Parade. The group also takes part in Memorial Day functions and forms firing squads at Veterans' funerals.

R.O.T.C. COLOR GUARD

Our symbol of freedom, the flag, is raised and lowered each day by the color guard. The guard also displays and secures the colors during assemblies. It is an honor to serve on the color guard and cadets are carefully chosen. Participants must report early to school and must give some of their time in the afternoon to raise and lower the flag. The Drill Team was under the direction of Miss Ruth Olds, and the leadership of Co-Captains Joann Duckett and Linda Foulke. The organization meets in the fall semester in place of regular physical education with tryouts for new members being held each year in the

spring semester in the girls' physical education classes.

Promoting school spirit and enthusiasm along with the Drill Team is the recently formed Pep Club. Under the supervision of Mr. Robert Coutts, and the leadership of Bonnie Caldwell and Janet Stith, fall semester officers, the Pep Club attends all football and basketball games, arousing spirit for both the school and the athletic team.

FUTURE FARMERS OF AMERICA

Following through with a number of educational and rewarding activities, President Lloyd Davies, and Vice-President Stephen Downing guided the Future Farmers of America throughout an enjoyable year. Their busy schedule included a Parliamentary Procedure Contest, an Agricultural Cooperative Contest, and the FFA State Convention. The students attended Field Days at several colleges including Cal Poly, Mount San Antonio College, Pierce College, and Cal State.

Future Farmers of America seeks to promote leadership in agricultural personnel. The organization also stimulates understanding of rural agriculture and gives the students a keen insight into contemporary agricultural problems.

Every day these students spend two periods at Rancho Five Acres under the supervision of Mr. Dell Rollins, Mr. Charles King, and Mr. Grant Nielson. On the farm the students receive practical experience in a variety of agricultural activities. Rancho Five Acres projects include the raising and marketing of sixteen head of cattle, three hundred fryers, three thousand plants of various varieties, and vegetables from their extensive gardens.

CAMPUS CONTROL

Headed by Mr. James McConnaughy and previously by Mr. Samuel Mayo, Campus Control is the organization whose members are stationed around the campus to see that no one leaves the school during brunch or lunch without permission. The members also prevent students from other schools from coming onto our school grounds during the day.

Membership is on a voluntary basis, and Activity Cards are assigned to distinguish them from the other student body members.

SAFETY COMMITTEE

Among the most important organizations at Van Nuys High School is the Safety Committee. Providing for campus safety by preparing safety precautions is the group's function. In the course of duty, the committee supervises fire drills, take cover drills and drop drills, as well as actively participating in other emergency drills. The major concern is protecting the student body in the event of an actual emergency. WAY OF THE WOLVES

Information regarding the policies, procedures and rules of Van Nuys High can best be found by consulting the **Way of the Wolves**, a small manual given to each student as he enters Van Nuys High. At the meetings suggestions are offered and discussions are held to provide any writing help a member may need. Marsha Willis is the club's President. Sponsoring the club this year were Miss Marcia Meader and Mr. Ross McLean.

ANNUAL STAFF

Providing a school with a yearbook is no easy task, but thanks to the efforts of our hard-working sponsors and staff this year's book is unusually good. The annual may seem to require little work, but in truth this is not the case. Our editors and staff devoted time after school and on weekends to make layouts, write copy, set up picture appointments, crop pictures and proofread the final product to insure the student body one of the best yearbooks ever.

Mr. Merrill Foster, chairman of the English Department was the sponsor of the yearbook in the fall semester. His two co-editors were Fred Dunn and Paul Horkin. They were aided by Chris Mulford, Organizations Editor; Kathy Andrew, Underclassmen Editor; Sherry Rose, Senior Editor; Greg Wright, Layout Editor; and Dean Sluyter, Copy Editor.

The spring semester saw a change in yearbook sponsors. Mr. Foster relinquished his position to Mr. George Bayha, who has an extensive background in yearbook journalism. Both Fred Dunn and Paul Horkin returned to be co-editors. They were assisted by Kathy Andrew, Faculty Editor; Brooke Carmichael, Copy Editor; Sherry Rose, Layout Editor; Sue Kraus, Organizations Editor; Carol Wakefield, Photo Editor; and Paul Rose, Sports Editor.

sports

Perhaps one of the best examples of the role of Van Nuys High School in the life of its students is its athletic program. Of primary importance is the student's wish to develop a specific skill — in this case athletic prowess. He learns about working for success and then achieving it sometimes, sometimes not. He learns of trying to win, but losing anyway and then trying again. And this realization is vital to the kind of world we desire. Only with this knowledge, an intangible, can we triumph over the adversities that may await us.

Rick Purdy, VNHS quarterback, shows his excellent running ability that is familiar to all of his fans.

VARSITY FOOTBALL

Early in the season it seemed as though the Wolves had little chance to win the East Valley League Championship for the third straight year. In spite of two losses, they came back to win the last five games, climaxing the season with an overwhelming victory over the Monroe Vikings. If Sylmar had not defeated San Fernando in the last game of the season, the league would have ended in a tie.

Although coaches Winston Tucker and Leonard Orteg were optimistic about the city finals, the Wolves lost in the first round to Gardena.

Quarterback, Rick Purdy, led the way to many victories despite an injury which plagued him through the season. Rick Purdy and halfback Frank Rivetti made the Times All Valley First Team, and Bob Doran, tackle, made the Second Team.

BEE FOOTBALL

Starting out with spirit and drive, the Bee Team, coached by Albert Gaber and Jack Vogt, ended the season in fourth place. Losing to Birmingham and Grant did not weaken their spirit and the team went on to lead San Fernando at half time, losing in the second half by one touchdown. A similar instance occurred in the game with Poly who scored the only touchdown of the game in the last few seconds of play. The overwhelming defeat of Sylmar by our team gave the boys the encouragement needed to go on to victory over Chatsworth and North Hollywood. The team closed the season by tying Monroe.

The Bee Team was sparked by the outstanding play of quarterbacks John Nicholson and Brian Huss. Linemen Bob Berlinger and Phil Bonesteel helped the team to gain their victories.

CROSS COUNTRY

Although the past season was not one of the best for the Varsity and Junior Varsity Cross Country teams, the Tenth Grade Team succeeded in placing second in the East Valley League. Mario Espinosa, accompanied by Jim Luthman, Elliot Chertack, Bruce Norby, and Mel Bernstein, led the tenth grade harriers to five wins and one loss, losing only to the Monroe Vikings.

Mike Moreno, Roger Kohl, and Jim Walker, all being three year lettermen, kept the Varsity team members on their toes in their weekly runs at Pierce College.

The Junior Varsity 1.8 mile races were led by Jim Droke, Howard Bransky and Walt Baker.

Coach McConnaughy has great expectations for next season's Cross Country teams with their outstanding tenth grade runners, including Mario Espinosa, advancing to the Varsity team.

VARSITY BASKETBALL

Our Varsity Basketball team did considerably better this year than last, finishing fourth in the league with a record of five wins against seven losses. The Wolves were the only team in the league that managed to conquer the Poly Parrots in basketball. Coach Waymon Shofstall feels that our team could have won one of the San Fernando games and the two Sylmar games, but he also thinks the boys played extremely well. Rated among the outstanding players on this year's team were Don Tillman, the fifth leading scorer in the League, Gary Sanserino, Greg Boucher, and Scott Purdy. Next year, with four of this year's five starters returning, we should have a tremendous basketball season.

JUNIOR VARSITY BASKETBALL

Coach Shofstall was very proud of our unusually tall Junior Varsity Basketball team for their third place achievement in the East Valley League. This year there did not seem to be any upset victories, but the second Grant game could be termed an unexpected loss. The most praiseworthy players on the JV team were Mark Goldstein, Chip Ehlert, Mike Kevorken, and Steve Freeman. Goldstein and Ehlert were the co-captains.

BEE BASKETBALL

This year's Bee team, though not a winning one, showed fine spirit. The experience the boys gained should afford a fine opportunity to improve their standings in the league next year. The season was highlighted by good sportsmanship reflected in a keen sense of fair play, and the team members found that the game of basketball is very rewarding. Leading the team this year were Mike Gleason, winning the most valuable player award, Ken Rich, most improved player, Bob Bohl, Steve Courtemarsh, and Gary Kaseff.

CEE BASKETBALL

Finishing 5th in the league with a 4 and 8 record, the Cee Basketball team also showed fine spirit and good sportsmanship. As in past years, this year's team served as the proving ground for our young and promising hoopsters. Winning the most valuable player award was Laren Ross. Coming up with the most improved player award was the team's center, Rick Andrew. Among other outstanding players on this year's team were Mitch Wein and Dan Walker.

TENNIS

This year's Tennis Team, although not the most successful in Van Nuys' history, showed much improvement toward the end of the season. With no returning lettermen, Coach Trovie Lyons had to start from scratch. The most promising player on the team was Gorton Vallely, a transfer from Santa Monica High. Al Sandler, John Elliot, Ed Cheng, and John Fisher finished out the singles in that order. The Varsity doubles were composed of Mark Elkan and Roger Barngrover on the first team and Kim LeMasters and Alan Burjoski on the second.

VARSITY SWIM TEAM

Leading Van Nuys High School to a victorious season this year was the Varsity Swim Team. Under the able direction of Coach Al Gaber, they experienced tough competition from other East Valley high schools.

Some of the outstanding swimmers on this year's team included Bob Levenson, medley relay, individual medley and backstroke; Barry Snyder, city record holder for Bee breaststroke; Captain Mike Gilbert, 50 and 100 yard freestyle and medley relay team; and Al Rosen, 200 and 400 yard freestyle. Other members, Greg Wright, Richard Milbourn, Rick Gunderson and Mark Simon helped the team enjoy a very rewarding season.

...And away they go!

BEE SWIM TEAM

Rounding out the Van Nuys High School sports year, the Bee Swim Team had a successful season. Coach Al Gaber watched proudly as the boys stroked their way to victory in the Kris Kristenson swim pool against some of the toughest competition in the East Valley League. The team was led by the sterling efforts of Steve Wintersteen in the 100 yard butterfly, individual medley, and 200 yard freestyle; Neil Booth in the freestyle and butterfly; Bruce Bauman in the breaststroke and individual medley; Ken Fields in the 50 yard freestyle and relay; and Rick Lee in the breaststroke.

CEE SWIM TEAM

Consisting of mostly unproven swimmers, the Cee Swim Team went through a trying season having to contend against swimmers from other East Valley schools. Coach Al Gaber felt that the boys fared well during the season and have the potential of a championship team.

The outstanding swimmers on the team were Captain Bruce Wolfe in the freestyle and butterfly; Collin Snyder, backstroke and individual medley; Steve McNally, freestyle; Howard Weiss, backstroke and freestyle; Stuart Foreman, breaststroke; and Terry Hinckley, breaststroke.

Members practice vigorously during a workout.

Swimmers Howard Weiss, Collin Snyder, Steve McNally, Stuart Foreman, Terry Hinckley, and Bruce Wolfe practice flip turns.

FIRST ROW— C. Snyder, H. Weiss, J. Meyers, S. McNally. SECOND ROW— J. Leighton, S. Foreman, S. Smith, B. Wolfe, T. Hinckley.

Winning form is displayed by Phil Gibson.

GYMNASTICS

With a strong core of returning lettermen led by Phil Gibson, and some bright new prospects, this year's Gymnastics Team fared very well in League competition.

Competing in free exercise were all-around gymnast Mark Davis, Greg Horrocks, Steve Kreiger, Dan Bowles, and Gibson. On the highbar were Frank Rose, Dan DeFrasio, Bowles, Davis, and Gibson; on the sidehorse, Dale Malcolm, Jr. and Ken Fields; on the longhorse, DeFrasio and Russel Taylor. Leading in rope climbing were Bob Murphy, Ken Aronson, and Kevin Landon. On the rings were Davis, Curt Maunu, Craig Benike, Rod Spector, and Andy Conlin. Engaged in tumbling competition were Bowles, Krieger, Horrocks, Frank Sparks, Dennis Goff, and Richard Murray.

VARSITY BASEBALL

Van Nuys' Baseball Team for this year was again coached by Mr. Jim McConnaughey. He felt that our team was stronger on hitting than in fielding, but that the Varsity Nine was unusually formidable in both areas.

Anyone knows that the pitcher "makes or breaks" a baseball team. The Wolves were fortunate to have a fine pitching staff this year led by Gary Adams, Pete Johansen, and John Lumas. The fielding was sparked by the efforts of Gary Sanserino at shortstop and Mike Polachek, the catcher, both of whom Coach McConnaughey felt had a good chance to place on the All-City Baseball Team. Other fine players included Ron Whitelaw, Jerry Staines, and Rich Stevens.

Ron Whitelaw and Gary Sanserino have close play at plate.

JUNIOR VARSITY BASEBALL

Strong both in hitting and fielding, this year's Junior Varsity Baseball Team improved on the performance of last year's team. Coach McConaughy was pleased with their showing in most of their games, and he predicted that some of the tenth and eleventh graders will be a credit to our Varsity Team next year.

Steve Livingston, Chuck Stevenson, and Warren Benjamin led the pitching staff while Doug Anderson, Jack Hanauer, and Phil Bonesteel backed them up in the field. San Fernando High probably ranked as their toughest opponents of the season.

VARSITY TRACK

Coaches Len Orteg and Frank Asman guided this year's Track Team to a successful season.

Grant Webster led the team in the sprints, Bob Baker in the 440 and Mike Moreno paced the 660 and the mile, while Dallas Cottam was outstanding in the hurdles. Demonstrating successful efforts in field events were Bob Doran, shot put; Lloyd Davies, pole vault; John Vidulich, long jump; and Don Tillman, high jump.

Our relay team was unusually strong, showing remarkable strength toward the end of the semester; however distance events were not among our greatest assets.

BEE TRACK

With most of the Bee tracksters moving up to Varsity, coaches Frank Asman and Len Orteg had to rebuild the Bee Team. Even with this problem, the Bee Relay Team was able to tie the previous school record. Lloyd Caren, Doug Anderson, Mike Laurella, and Grant Webster made up the relay team which tied the record of 1:09.1 minutes. Jim Walker set the record for the 660 at 1:25.5. Chuck Spearman led the team in the hurdle events, with Mario Espinosa leading in the 1320. Paul Klein was the top pole vaulter this year and Jim Olson led the team in the shot put. Van Nuys' Bee Team finished fourth in the league.

Berkman ran sprints for the team, Wallace ran the 660, and Stelson the 1320. With Mark Holiday leading the team in the long jump and Grant Bybee leading in the high jump, the team gained some extra points on the field. John Loomis helped the team in the hurdles and relay events.

This year's team started the season with high hopes of winning the East Valley League Championship again. Under the watchful eye of Mr. Don Ferrier, the boys practiced until they emerged as successful golfers. Leading the team this year were John Knudsen and Gary Kaseff on the first team, with Chris Clark and Bob Richman on the second team. The third team was made up of Ted Kruger and Jim Hilton. Some requirements include membership in G.A.A., participation in six sports, the writing of a yell or song for G.A.A. rallies, and the earning of two gym credits by either working in the gym office or by being equipment girls. Under the direction of Miss Steinert, the club meets every Tuesday at noon. During the fall semester Debbie Burroughs served as President and Linda Haverlation was the Vice-President. The spring semester officers were Linda George as President, and Donna Sles as Vice-President.

LETTERMEN

Lettermen's Club is an organization which brings all the lettermen together to help Van Nuys High. Founded in 1922, the club helps to improve our school's athletic standards and promote sports. One of the major activities in which the Lettermen participate is the Lettermen's Breakfast held twice a month in the school's cafeteria. It is on these occasions that the club listens to guest speakers from various phases of athletics tell of their experiences. The Athlete of the Week is named at this time also. George Scott served as the fall semester President, with Mike Polachek serving as the spring semester President.

MAY DAY

In olde England, the fairest maid of the village was crowned with a wreath as the queen of the May. For many years Van Nuys High has carried on this ancient tradition, and each April, May princesses are nominated by the senior girls in physical education classes and later voted on by the girls student body. The identity of the May Queen is not revealed until the suspense-filled moment of her crowning at the annual May Day Assembly.

This year the May Day Assembly and Dance had an underwater theme. Girls' Student Body President, Kim Walker, led the Girls' Activity Board and Dance Committee in the planning of the May Day Activities, and, as Honor Princess, crowned the selected May Queen, Jamie Jensen.
